Why We Do It

We believe that making a positive difference in the lives of others make us better men. Hosting an event like the Sea No Limits certainly makes a positive difference in the lives of these challenged families. When we can bring joy into someone's life, then we all become better people for it.

- Special mention must be given to the generosity of **Fish Florida** which is the organization that provided us with grant money to launch SNL that they fund through sales of the Fish Florida Specialty License Plate program which anyone can support by going to **www.fishfloridatag.org**
